

REFURBISHED PRODUCT

These items have been classified by Star Headlight as part of our REFURBISHED inventory. Items sold as REFURBISHED product may include discontinued items, new old stock, old revisions of product, restocked items, items used in field tests, sales displays, demo units, and/or repaired items from Production or the field. These products may or may not come in their original packaging. Occasionally items may show some signs of wear and tear. Some accessories may not be included. All sales are final and these items may not be returned. Unless otherwise indicated, REFURBISHED products carry a 30-day warranty against defects.

Please note that REFURBISHED stock is constantly changing. Some products listed here may no longer be available.

Please contact the factory to verify if the item is still in stock.
